Sterling Construction to Present at the D.A. Davidson Diversified Industrials & Services Conference on Thursday, September 19th

THE WOODLANDS, TX – September 4, 2019 – Sterling Construction Company, Inc. (NasdaqGS: STRL), ("Sterling" or the "Company") today announced that its Chief Executive Officer, Joe Cutillo and Executive Vice President & CFO, Ronald Ballschmiede will be presenting at the D.A. Davidson Diversified Industrials & Services Conference on Thursday, September 19th at 10:20 am CT at the Palmer House Hilton in Chicago.

Sterling's management will be available for one-on-one meetings during the conference. To schedule a meeting please contact your D.A. Davidson sales person or Fred Buonocore at fbuonocore@equityny.com.

Sterling Construction Company, Inc. will provide access to the presentation that management will be referring to on its website on September 19, 2019. Access to the presentation will be available on the "Investor Relations" page of www.strlco.com.

Sterling Construction Company, Inc. ("Sterling" or "the Company"), a Delaware corporation, is a construction company that specializes in heavy civil infrastructure construction and infrastructure rehabilitation as well as residential construction projects, primarily in Arizona, California, Colorado, Hawaii, Nevada, Texas, Utah and other states in which there are feasible construction opportunities. Heavy civil construction projects include highways, roads, bridges, airfields, ports, light rail, water, wastewater and storm drainage systems, foundations for multi-family homes, commercial concrete projects and parking structures. Residential construction projects include concrete foundations for single-family homes.
