A link to the conference presentation webcasts can be accessed via the investor relations section of the company's website at [www.strlco.com](http://www.strlco.com). Following the conferences, an archived recording of each presentation will also be available for 90 days following the live webcasts and will also be found in the investor relations section of the company's website at [www.strlco.com](http://www.strlco.com).

#### **About Sterling**

Sterling operates through a variety of subsidiaries within three segments specializing in E-Infrastructure, Transportation and Building Solutions in the United States, primarily across the Southern, Northeastern, Mid-Atlantic and Rocky Mountain regions and Hawaii. E-Infrastructure Solutions provides advanced, large-scale site development services for data centers, e-commerce distribution centers, manufacturing, warehousing, energy and more. Transportation Solutions includes infrastructure and rehabilitation projects

for highways, roads, bridges, airports, ports, rail and storm drainage systems. Building Solutions projects include residential and commercial concrete foundations for single-family and multi-family homes, parking structures, elevated slabs and other concrete work. From strategy to operations, we are committed to sustainability by operating responsibly to safeguard and improve society's quality of life. Caring for our people and our communities, our customers and our investors – that is The Sterling Way.

*Joe Cutillo, CEO, "We build and service the infrastructure that enables our economy to run, our people to move and our country to grow."*
